# **6<sup>th</sup> Annual Canadian Human and Statistical Genetics Meeting**

## **6e réunion annuelle canadienne sur la génétique humaine et statistique**

22-25 April, 2017  
Québec City  
Québec

## **ABOUT THE CONFERENCE**

The Canadian Institutes of Health Research Institute of Genetic (CIHR-IG), together with the Canadian Gene Cure Foundation are pleased to host the 6<sup>th</sup> Annual Canadian Human and Statistical Genetics Meeting (CHSGM), taking place at the [Fairmont Château Frontenac](#) in Québec City, Québec from April 22-25, 2017. This conference follows the fifth joint Canadian Human and Statistical Genetics Meeting held in Halifax, Nova Scotia, April 16-19 2016. The conference in 2017 will bring together over 200 researchers, clinicians, trainees, and industry representatives to offer mentoring, networking, and collaboration opportunities.

The program spans over four days and is designed to address the priorities of the Human Genomics community in Canada. This year's edition will include a special focus on microbiome, Gene-Environment interaction in complex diseases and integration of machine learning in human genetics.

We would like to offer your company various sponsorship opportunities and we hope that you will find a suitable package to your need.
